

AJ-SOCKET-W

Ajax

Features

- Ajax
- Intelligent socket with remote control
- Bidirectional
- 868MHz Jeweller Wireless
- Internal antenna range open space 1000 m
- Power Input/Output 240 V AC
- Maximum output power up to 2.5 kW (11 A)
- Incorporates an indicator light according to the level of consumption
- Allow measurement of power consumption
- Compact design
- White colour

Specifications

Brand	Ajax
Transmission distance	? 1000 m in open space
Frequency	868 MHz Jeweller
Power supply input	AC 230 V / 50 Hz
Power supply output	AC 230 V, 50 Hz, max. 2.5 kW
Maximum output current	11 A with protection / 13 A without protection
Protection	Voltage 184 - 253 V / Current 11 A / Temperature +85° C
Compatibility	F-type socket
Temp. operation	0° C ~ 64° C
Dimensions	65.5 (H) x 45 (W) x 45 (D) mm
Weight	58 g
