

## EXTERNAL CASSETTE

**Model:**  
VDA-13A3

**Index:**  
A33A113

**EAN:**  
5905548275529

### Description:

External cassette, color camera with CMOS image sensor, discreet viewing option for video intercoms: VDP-20A3 Neptun, VDP-22A3 Pluton and VDP-28A3 Saturn, small-sized vandal-proof aluminum housing with protective roof. It is designed for surface mounting.

### Technical specifications:

#### External cassette

Power supply voltage	12V DC
Video signal parameters	1Vp-p 75 Ohm CCIR
Number of cables required	4
Number of premises served	1
Output voltage for electromagnetic lock	Lack
Power consumption - standby / operation	0.2W / 5W
Image resolution	700TVL
Horizontal camera viewing angle	54°
Camera sensor type	1/4" CMOS Color
Bolt activation time	3 sec
Housing material	Aluminum alloy
Number of relay outputs	Lack
External cassette installation method	Surface mounted
Adjusting the camera eye position	NO
Night lighting	6 LEDs (infrared)
Proximity reader	NO
Encryptor	NO
Fingerprint reader	NO
Protective roof	Yes
Protection factor	IP44
Temperature range of the cartridge	- 18°C ~ +50°C
External cassette dimensions (H x W x D)	130x51x47mm
Net weight of the cassette	178g
Package dimensions (H x W x D)	79 x 154 x 63 mm
Gross weight of package	236g
Package type	Cardboard
