Product name:	**Telephone module for 2-wire video intercom**
Model:	**VXA-48A5 EURA-2EASY**
Index:	A53A148
EAN code:	5905548272689

Description:

Telephone module for the 2-wire video intercom system "EURA-2EASY" - a device with which a call from the external video intercom cassette can be forwarded to any user's telephone (landline or mobile) and the bolt at the door or gate can be remotely released. It is possible to set up to 3 telephone numbers for call forwarding. An excellent solution that allows for remote communication with the entrance to the property or simulation of the user's presence at home.
