

MT-NCACVOLTAGE-UT12D-EU

Non-contact AC voltage detector

High and low voltage mode up to
1000 V

Audible warning and visible LED

Automatic shutdown

UNI-T

Non-contact AC voltage detector CAT IV 1000V

Wide detection range 24~1000V

Audible warning and visual LED

Automatic shutdown

Specifications

Brand	Uni-T
Measuring range AC voltage low	24V~1000V
Measuring range high AC voltage	90V~1000V
Frequency range	50/60Hz
Audible warning and visual LED	Yes, it is available
Automatic shutdown	Yes, it is available
Power	2 x batteries (R03) 1.5V
Dimensions	150 (H) x 23 (W) x 18 (D) mm
Weight	102 g
