ST-Z5-CARGO-V2

STREAMAX

Features

- Kit Z5 charge for semi-trailers
- Real-time volume calculation with AI
- Multi-carrier, GPS/Wifi/Bluetooth connectivity
- One-wire bus included

- Magnetic door sensor included
- Protection for valuable goods
- Compatible with FTCLOUD

Specifications

Cameras	x1 channel 4K for inside load x1 channel 1080P for the outside of the load
Storage	x1 Slot for micro SD 256GB included
Wifi	Supported, external antenna
BLE	BT 5.1
SIM card	Nano SIM
Solar panel	External board for battery charging at 12V DC 10.4Ah/76wh
Certificates	FCC, PTCRB, IC, GCF
Accelerometer	6 integrated axes
Dimensions	19.89 x 19.15 x 4.20cm
Weight	0.434g
Finished	Aluminium alloy
Protection	IP69K
Working temperature	-40?~+70?
Relative humidity	8%-95%
Video compression	H.264/H.265
Recording mode	Power on/manual/agenda-driven/event-driven
Pre-alarm time	0-60min
Alarm delay	0-30min
Audio	Does not have
Wifi	2.4G 802.11a/b/g/n/ac
3G/4G	LTE FDD: B1/B3/B7/B8/B20/B28A WCDMA: B1/B8 GSM: B3/B8
Power	DC 9-36V
Solar panel power	3W
Battery	10.4Ah/76Wh

Consumption	9W
Power consumption in energy saving mode	?0.6W
GPS	Localization, speed detection, time synchronization
RS232	x1 channel
IO	2 inputs, 2 outputs
