EZ-DB2C-KIT

EZVIZ

Features

- Ezviz
- Wifi doorbell with camera
- 2 Mpx (1920x1080)
- Lens size 2.2 mm Wide Angle (160°)
- Night vision 5 m
- Wifi 2.4 GHz
- PIR motion detection
- Compact design for frames
- Two-way quality audio
- SD card recording
- CloudPlay cloud storage subscription option
- Ezviz smartphone app and CMS (EZ Studio)
- Suitable for indoor or covered areas

Specifications

Brand	Ezviz
Model	CS-DB2C
Image sensor	1/2.7" 2 Megapixel CMOS
Video compression	H.265 / H.264
Image improvements	DWDR, 3DNR, BLC, AGC
Lens	2.2 mm
Viewing angle	160°
Infrared lighting	0 Lux / IR LEDs (5 m)
Keypad	Mechanical call button
Relay	Not available / Tamper-proof tamper
Intelligent detection	True PIR sensor (100° / 5m) human oriented with selectable range
Audio	High-quality two-way audio (microphone and speaker) with noise and echo cancellation
Network interface	Wifi IEEE 802.11 b/g/n 2.4 GHz
Interior bell	WiFi 2.4 GHz / 65 dB / 20 tones
Internal memory	Supports microSD card (max. 256GB) (not included) on the inner bell
External storage	CloudPlay cloud storage subscription option
Remote access	EZVIZ App for Smartphone & Tablet and EZ Studio software
Battery	Rechargeable lithium battery of 5200 mAh
Power	Video door bell: DC 5V Max 7.5W / Indoor Doorbell: AC 100~240V
Degree of protection	No IP degree of protection
Temp. operation	-10° C ~ +45° C
Dimensions	146 (H) x 60 (W) x 34 (D) mm
Weight	206 g
