RG-EW300N

REYEE

Features

- Reyee
- WiFi Router 4 N300
- 4 Ports RJ45 10/100 Mbps
- 802.11N 2.4GHz
- Compatible with 802.11a/b/g/n
- Wi-Fi capacity up to 300 Mbps
- MIMO technology with 2+2 integrated external omnidirectional 5dBi antennas
- Small Office / Home Office
- Powerful and intuitive operation with the free Ruijie Cloud
- Black colour

Specifications

Brand	Reyee
Interface	3 LAN ports 10/100Mbps , 1 WAN port 10/100Mbps
Maximum number of customers	16 (recommended 8))
Bandwidth	300Mbps in 2.4GHz
WiFi Antennas	2+2 integrated external omnidirectional antennas
SSIDs	Maximum 3
Operating Modes	Router Repeater AP WISP
Functionalities	Parental Control Management through APP DDNS UPnP Blacklist-Whitelist DMZ Wi-Fi QoS WMM, a technology developed by Reyee that allows prioritizing multimedia traffic on the wireless network. Port Opening
Power	DC 5 V 1A / 12W (adapter included)
Temp. operation	-10º C ~ +45º C
Dimensions	180 (H) x 120 (W) x27 (Fo) mm (excl. antennas)
Weight	0,18 Kg (packaging not included)
Colour	Black
