Fire and Evacuation / Standalone / X-Sense

XS01-WX

X-SENSE

Features

- X-Sense

- Mini Photoelectric autonomous Smoke Detector

- WiFi communication 2.4GHz

- Control from your cell phone through the X-Sense Home Security application

- Reduced size

- Alarm 85 dB to 3m

- Smoke detection indicator light

- Test button

- Faster detection thanks to the ventilation system

- Power supply 1 battery CR123A 3.0 V

- Replaceable battery

- Battery life 1 year

- Certified EN 14604

- High quality materials

- Improved controller board

Specifications

Brand	X-Sense
Detector type	Photoelectric
Wireless communication	WiFi 2.4GHz
APP for Smartphone	X-Sense Home Security
Certification	EN 14604
Coverage area	20~40m2
Standby current	?15 uA
Current in alarm	?150 mA
Sound power	?85dB to 3m
Battery duration	1 year
Battery	1x CR123A 3.0 V (replaceable)
Detector life	10 years
Operating temperature	0~55ºC
Operating Humidity	?85% RH
Dimensions	78 (Ø) x 48 (h) mm
